

SPECIES LIST (For More Info: see USFWS website www.fws.gov/r9endspp.enspp.html or NMFS website www.nwr.noaa.gov)

COMMON NAME	SCIENTIFIC NAME	STATUS	CRIT. HABITAT	LOCATION INFORMATION
BIRDS				
Aleutian Canada goose	<i>Branta canadensis leucopareia</i>	Threatened	N	Western WA and Columbia River
Bald eagle	<i>Haliaeetus leucocephalus</i>	Threatened	N	Columbia River, Olympic Peninsula, San Juan Islands, Whatcom, Skagit, Mason, Kitsap, Island Counties
Brown pelican	<i>Pelecanus occidentalis</i>	Endangered	N	WA Coastal areas
Marbled murrelet	<i>Brachyramphus marmoratus</i>	Threatened	Y	In Western WA, near shore, feeding on fish and invertebrates and nesting in stands of mature and old-growth forest
Northern Spotted owl	<i>Strix occidentalis</i>	Threatened	Y	the Eastern and Western Cascades, Western Lowlands, and Olympic Peninsula Provinces in WA
Short-tailed albatross	<i>Phoebastria albatrus</i>	Endangered	N	Clallam, Jefferson, Grays Harbor, San Juan, Pacific Counties (coastal areas)
Western snowy plover	<i>Charadrius alexandrinus</i>	Threatened	Y	Breeding areas: Leadbetter Point, in Willapa Bay and Damon Point, in Grays Harbor. Wintering areas: southern coastal Washington, near Cape Shoalwater in Pacific County, WA is furthest known northern area.
MAMMALS				
Canada lynx	<i>Lynx canadensis</i>	Threatened	N	Selkirks (eastern WA) and Cascades – considered primary region necessary to support the continued long-term existence
Columbia white-tailed deer	<i>Odocoileus virginianus leucurus</i>	Endangered	N	along the lower Columbia River from River Mile (RM) 50 to RM 52)
gray wolf	<i>Canis lupis</i>	Endangered	Y	Selkirks (eastern WA) and North Cascades (western WA)
Grizzly bear	<i>Ursus arctos horribilis</i>	Threatened	N	Selkirks (eastern WA) and North Cascades (western WA).
Woodland caribou	<i>Rangifer tarandus caribou</i>	Endangered	N	Selkirks (eastern WA)
MARINE MAMMALS				
Blue Whale	<i>Balaenoptera musculus</i>	Endangered	N	Pacific Ocean, Straits of Juan de Fuca
Fin Whale	<i>Balaenoptera physalus</i>	Endangered	N	Pacific Ocean, Straits of Juan de Fuca
Humpback Whale	<i>Megaptera novaeangliae</i>	Endangered	N	Pacific Ocean, Straits of Juan de Fuca, Straits of Georgia, Puget Sound
Sei Whale	<i>Balaenoptera borealis</i>	Endangered	N	Pacific Ocean, Straits of Juan de Fuca
Sperm Whale	<i>Physeter macrocephalus</i>	Endangered	N	Pacific Ocean, Straits of Juan de Fuca
Stellar sea lion	<i>Eumetopias jubatus</i>	Threatened	Y	Pacific Ocean, Straits of Juan de Fuca, Straits of Georgia, Puget Sound, lower Columbia River
INSECTS				
Oregon silverspot butterfly	<i>Speyeria zerene hippolyta</i>	Threatened	Y	Long Beach Peninsula, Pacific County

SPECIES LIST (For More Info: see USFWS website www.fws.gov/r9endspp.enspp.html or NMFS website www.nwr.noaa.gov)

COMMON NAME	SCIENTIFIC NAME	STATUS	CRIT. HABITAT	LOCATION INFORMATION
PLANTS				
Bradshaw's desert parsley	<i>Lomatium bradshawii</i>	Endangered	N	Southern portion of Western WA in Puget Trough physiographic province: South Clark County
Golden paintbrush	<i>Castilleja levisecta</i>	Threatened	N	Counties: San Juan, Island, Jefferson, King (along the coast), Pierce (near Nisqually River), Thurston, and Clark (near Columbia)
Kincaid's sulphur lupine	<i>Lupinus sulphureus</i> ssp. <i>Kincaidii</i>	Threatened (proposed)	N	Counties: Clark, Cowlitz, Skamania, Lewis
Marsh sandwort	<i>Arenaria paludicola</i>	Endangered	N	King, Pierce, Pacific, and Grays Harbor Counties
Nelson's checker-mallow	<i>Sidalcea nelsoniana</i>	Threatened	N	Historical range covered an area of 11 mi. x 3 mi, extending south-southeasterly from Leavenworth, WA (Chelan Co.)
Showy stickseed	<i>Hackelia venusta</i>	Threatened (proposed)	N	Wenatchee Mountains, Chelan Co, WA. Also occurs in Eastern Cascades physiographic province.
Spalding's silene	<i>Silene spaldingii</i>	Threatened	N	Blue Mountains and Columbia Basin physiographic provinces in Asotin, Lincoln, Spokane and Whitman Counties
Water howellia	<i>Howellia aquatilis</i>	Threatened	N	Columbia Basin and Puget Trough physiographic provinces: Mason, Thurston, Clark, and Spokane Counties
Wenatchee Mountain Checker - Mallow	<i>Sidalcea oregana</i> var. <i>calva</i>	Endangered	N	Wenatchee Mountains = Central Washington (Chelan County)
Ute ladies'-tresses	<i>Spiranthes diluvialis</i>	Threatened	N	Counties: Chelan, Kittitas, Klickitat, Lincoln, Okanogan, and Skamania. Occurs in Columbia Basin, Eastern Cascades and Western Cascades physiographic provinces.
REPTILES/AMPHIBIANS				
Green Sea Turtle	<i>Chelonia mydas</i>	Threatened	N	Pacific Ocean
Leatherback Sea Turtle	<i>Dermochelys coriacea</i>	Endangered	N	Pacific Ocean, Puget Sound
Loggerhead Sea Turtle	<i>Caretta caretta</i>	Threatened	N	Pacific Ocean
Olive Ridley Sea Turtle	<i>Lepidochelys olivacea</i>	Threatened	N	Pacific Ocean
FISH				
Snake River sockeye	<i>Oncorhynchus nerka</i>	Endangered	Y	Snake River and its fish accessible tributaries; Columbia River downstream of Snake R. confluence to ocean
Snake River spring/summer chinook	<i>Oncorhynchus tshawytscha</i>	Threatened	Y	mainstem Snake R.; fish accessible portions of Tucannon R., Grande Ronde R., Imnaha R., & Salmon R. basins; mainstem Columbia River downstream of the Snake R. confluence to ocean
Snake River fall chinook	<i>Oncorhynchus tshawytscha</i>	Threatened	Y	Columbia R., Snake R. and tributaries upstream of Dalles Dam (except upper Grande Ronde R., Wallowa R., Clearwater R. above Lolo Cr., and

				upper Salmon R.); mainstem Columbia R. downstream of Dalles Dam to ocean
Snake River steelhead	Oncorhynchus mykiss	Threatened	Y	Snake River and its fish accessible tributaries; Columbia River downstream of Snake R. confluence to ocean
Columbia River chum	Oncorhynchus keta	Threatened	Y	Fish accessible Columbia R. and tributaries downstream of Bonneville Dam (except OR tributaries upstream of Milton Cr.); mainstem Columbia R. downstream of Bonneville Dam to ocean
Columbia River bull trout	Salvelinus confluentus	Threatened	N	Counties within Columbia R. basin except Cowlitz, Pacific, and Wahkiakum Co.
Lower Columbia River steelhead	Oncorhynchus mykiss	Threatened	Y	Fish accessible Columbia R. tributaries between the Cowlitz and Wind Rivers in WA and the Willamette and Hood R. in OR, inclusive; mainstem Columbia downstream of Hood R. to ocean
Lower Columbia River chinook	Oncorhynchus tshawytscha	Threatened	Y	Fish accessible Columbia R. tributaries between the Grays and White Salmon R. in WA and the Willamette and Hood R. in OR, inclusive; mainstem Columbia R. downstream of Dalles Dam to ocean
Middle Columbia River steelhead	Oncorhynchus mykiss	Threatened	Y	Fish accessible Columbia R. tributaries (except the Snake R.) between Mosier Cr in OR and the Yakima R. in WA; mainstem Columbia R. downstream of the Yakima R. to ocean
Upper Columbia River steelhead	Oncorhynchus mykiss	Endangered	Y	Fish accessible Columbia R. tributaries between the Yakima R. and Chief Joseph Dam; mainstem Columbia R. downstream of Chief Joseph Dam to ocean
Upper Columbia spring chinook	Oncorhynchus tshawytscha	Endangered	Y	Fish accessible Columbia R. tributaries between Rock Island Dam and Chief Joseph Dam (excluding the Okanogan R.); mainstem Columbia R. downstream of Chief Joseph Dam to ocean
Upper Willamette River Chinook	Oncorhynchus tshawytscha	Threatened	Y	Fish accessible parts of the mainstem Columbia River from the confluence of the Willamette River to the ocean
Upper Willamette Steelhead	Oncorhynchus mykiss	Threatened	Y	Fish accessible parts of the mainstem Columbia River from the confluence of the Willamette River to the ocean
SW Washington/Columbia River/Coastal Cutthroat Trout	Oncorhynchus clarki clarki	Threatened (proposed)	N	Fish accessible parts of the mainstem Columbia River and its tributaries downstream from the Klickitat River (WA) and Fifteenmile River (OR), inclusive, including Willamette River downstream from Willamette Falls and in coastal drainages between Columbia River and Grays Harbor,

SPECIES LIST (For More Info: see USFWS website www.fws.gov/r9endspp.enspp.html or NMFS website www.nwr.noaa.gov)

COMMON NAME	SCIENTIFIC NAME	STATUS	CRIT. HABITAT	LOCATION INFORMATION
				inclusive.
Ozette Lake sockeye	Oncorhynchus nerka	Threatened	Y	Fish accessible parts of the Ozette Lake basin on the Olympic peninsula
Hood Canal summer chum	Oncorhynchus keta	Threatened	Y	Fish accessible tributaries to Hood Canal; Olympic Peninsula rivers between Hood Canal and Sequim Bay; marine and estuarine areas of Hood Canal
Puget Sound chinook	Oncorhynchus tshawytscha	Threatened	Y	Fish accessible marine, estuarine, and river reaches within U.S. located east of the Elwha River (including Hood Canal and its tributaries)
Coastal/Puget Sound bull trout	Salvelinus confluentus	Threatened	N	All drainages north of the Columbia R., including tributaries to Puget Sound and Hood Canal
